Noting the multiple violations among the three Circle Ks changing ownership, Mr. Battles asked Ms. Taylor how MAC's Convenience Stores plan to prevent selling beer to minors.

Ms. Taylor explained that the company has an upgraded the training process. It does internal stings, and if an employee does not ask for an ID for a beer sale, they are immediately

terminated. Sales to minor preventions are tied to managers' bonuses, so they are highly motivated to prevent it. Additionally, the company has upgraded the point-of-sale equipment so IDs can be scanned to determine the exact age of the costumer.

Ms. Williams asked both applicants to "make sure you review the ordinances that were in the application packet you received from the Finance Department. We do not take selling beer to minors lightly, and we do not want to see you back here for a permit violation."
